

WORLD CHAMPION!

LAMBERET
WE INNOVATE. YOU SAVE.

For the second time Lamberet has won the Trailer Innovation Award at the IAA 2018, the largest trade show in the world devoted to transport!

Our new ERGOWALL partition system won in the Components category. This revolutionary partition is fitted in our refrigerated, multi-temperature bodies for straight trucks and semi-trailers, as new or retro-fit. It is almost unbreakable and allows an unmatched passage height. It will optimise your service rate and your productivity. Your dock operators and your drivers will find its ergonomics and lightness very attractive.

See the demonstration by flashing this code!
