

DRIVERS WELCOME BOOKLET

Welcome...

WELCOME TO THE HEADQUARTERS AND MAIN FACTORY OF THE GROUP!

To enter the site, please drive directly to the barriers next to the guardhouse (authorized vehicles) or pass through the turnstiles (people).

Useful information for your transport operations :

Parcheggio

- The area in front of the main entrance of the site is reserved for the reversal of semi-trailers and should not be used to park, excepted for a very short duration.
- A long term parking (overnight) is available next to DEBIAS enterprise (behind the staff parking facing the entrance).

Deliveries / removals

- Please check-in systematically to the guardhouse that will register your entrance and give you more instructions about your way into the site.

General rules

- The vehicles unloading takes place on the back of the site (chassis reception)
- Goods/supplies unloading is managed by the central storage-workshop.
- The vehicles removal takes place on the finished vehicles parkings (MAD parkings).

After any loading of box or châssis, or coupling of trailer, **please check-out at the guardhouse before departing, in order to get your delivery vouchers.**
